Dear NABET-CWA/NBC Sisters and Brothers,

The News Guild of New York has been engaged in difficult contract negotiations with NBCUniversal. The Guild will be conducting a walk out tomorrow, Thursday February 9th, 2023, in the NBC News Digital Department.

Thursday's job action by the Guild does not impact NABET-CWA. Our current Master Agreement remains in effect while we are negotiating a successor Contract with the Company. Our Master Agreement contains a No Strike/No Lockout Clause which both the Company and the Union will honor. You should continue to work as usual.

We will continue to update you on any new developments. In the meantime, if you have any questions, please do not hesitate to contact me.

We wish our Sisters and Brothers at the New York News Guild well in their negotiations for a full and fair contract for their membership.

In Solidarity,

Louis M. Marinaro
NABET-CWA Vice President
NABET-CWA Local 11 President
