**RE: Late Night/Tonight Show Update**

Dear Sisters and Brothers,

I have confirmed with NBC Labor Relations that Daily Hire members working on Late Night and The Tonight Show will have pay continuation for the week ending May 19<sup>th</sup>, 2023.

Additionally, I have confirmed the Company will be making the Flex Plan contributions that week for those members enrolled in the plan. Those days will also count towards the 170-day threshold as described in Sideletter 32.

For those members enrolled in the Company medical plan, the Company will continue to make its contribution to the plan till at least December 31<sup>st</sup>, 2023.

We will continue to keep you updated as things progress.

Fraternally
