## **BULLETIN – WGA STRIKE IMPACT ON NBC LATE NIGHT PRODUCTIONS**

Dear Sisters and Brothers,

The WGA Strike will impact NBC Entertainment productions on Saturday Night Live, Tonight Show with Jimmy Fallon, and Late Night with Seth Meyers. These shows will go dark for an undetermined amount of time.

The Company will provide for the following conditions for NABET members who are typically assigned to work on dark NBC Late Night Entertainment Productions:

- Regularly scheduled NABET daily hire employees assigned to the NBC Late Night Entertainment Productions will receive pay continuation for two weeks (the week of 5/1 and the week of 5/8).
- Pay continuation will include benefits payments (i.e., the Company's percentage of Comcast benefit premiums or daily Entertainment Industry Flex Plan payments).
- Two weeks of dark days for regularly scheduled NABET daily hire employees will count towards the 170-day threshold for 2024 benefits as per Sideletter 32 of our Master Agreement.

We will remain in close contact with NBC Labor Relations and Production Managers during the WGA Strike and will provide additional information as it becomes available.

In solidarity,

Louis M. Marinaro  
NABET-CWA Sector Vice President  
NABET-CWA Local 11 President
