Dear Sisters and Brothers,

The Writers Guild of America has been engaged in difficult contract negotiations with NBC Universal. The Guild will be conducting a walk out beginning today, Tuesday, May 2, 2023.

This job action by the Writers Guild does not impact NABET-CWA. While we are negotiating our contract, we are currently working under an extension of our existing master agreement which contains No Strike, No Lock Out provisions. You should continue to work as usual.

We will continue to update you on any new developments. In the meantime, if you have any questions, please do not hesitate to contact me.

We support our Sisters and Brothers at the Writers Guild and wish them well in their negotiations for a full and fair contract for their membership.

In Solidarity,

Louis M. Marinaro  
NABET-CWA Sector Vice President  
NABET-CWA Local 11 President
