NASCAR BULLETIN

TO: ALL NABET-CWA/NASCAR MEMBERS:

One June 25, 2024, an overwhelming majority of the eligible membership voted to ratify the Memorandum of Agreement between NABET-CWA and NBCUniversal to cover technical work performed on NASCAR Productions on Company-owned cable networks or affiliated national basic cable channels. The new Agreement will run until 2027.

The Union thanks the membership for their patience and resolve during this process.

In solidarity,

NABET-CWA/NASCAR Bargaining Committee
