### **MSNBC/NBC NEWS NOW Election Victory**

Technical employees at MSNBC and NBC NEWS NOW have voted in favor of NABET-CWA representation for purposes of collective bargaining with NBCUniversal. The election was conducted under the supervision of Region 2 of the National Labor Relations Board.

The results make clear that technical workers want a strong voice in determining their terms and conditions of employment. NABET-CWA Local 11 is proud to provide that voice and will represent this new bargaining unit with commitment and determination.

This is only the beginning. The next step is bargaining a first contract that reflects the priorities and concerns of MSNBC and NBC NEWS NOW technical employees.

NABET-CWA Local 11 represents broadcast and media workers throughout the New York Metropolitan Area and remains committed to strengthening labor rights and raising standards across the industry.
